Sa May 7-71

Bless your heart Ea.

I feel something in my heart this an to deep for I preside with I need words to I pres. And God would have to give me heavenly language to say what I wish I could tell the whole world.

Just you get such odd lovely things to send me. They are more valuable than any no doubt than you that they are, more than I could say much. ~~the~~ best many pleasant things me to give them to others, yet I don't want to be selfish. but just send things I am not willing to. Here, this I am is something else I would do I choose.

Something that nobles loyalty?

Am setting here writing with so many lovely Mother day Cards, some for some people I wouldn't know if I met the b7 and I would if they haven't got

the wing season. Truly you are noble of all they say, as they are like me. I just reads that say. What I want to say, but say it

better than I can say it. Having like
 this then live ones came with their
 precious little retarded children
 & I began to cry & to tell God my
 knees had creaked to these children
 Nothing but me at my age with old
 folks wives are aged parents what
 and others in the land. I did not God
 as I feared may I never find one who
 puts their trust in me, & say I
 never had a treat. This letter is
 done always for the time but
 blessing my eyes. Holy I do get
 comforted Sam. tell you what in
 Jan & I Cook bread for Brides
 to go feed them they wait in lines
 on lines & have lots of oranges
 waiting for us, & I feel so bad
 when I forget them, forget
 me to feed them & this to us
 Jan to have them eating at
 this hour, so I keep it up
 in this hour, But. need not to

tears gone. What a beautiful morning
why should I be in such a mood
I wonder? The sun is beaming wth honest
red rich sunshine this thing & it stays
on the cool hills. We need just all day
some days. I have nothing in my heart
more furious than any life's passion
just is it more than life, & say it is
the absolute life & I just feel like
one in person because I can't share it
with the world. I tell God to please
make my life so further tells it
will perhaps the lives of others
Wonder if this is it? yes so I live it
to you happy when I say. ~~Crazy~~?
Crazy? maybe I told you with
tears many years by Charles. oh-God
I've lost my mind in the wrong
thoughts I told him I hope my love
is hopeless. No. No and you
curried in parts? don't answer this
for I'm trying to believe in you. No. No

Guess how you behave & eat just
 in waves what am trying to
 express. So I give up & tell you
 as you should know. That I am
 feeling well in the talk but
 the sun has had its face & has
 the deep clouds already not even
 dry its like this. So I've learned to
 turn clouds about to see the whole
 thing is there & when is there
 behind them so I feel like I am
 dancing in my very way & am I
 is beautiful & I love every little bit
 do you? You should not head for gas
 and people are now beautiful with all
 that they were when you. In London in
 that & when I see my face & the
 changes taken there, what a job I do
 good in head, & ~~one~~ ^{one} has to have a
 eye to look deep to. ~~Shall~~ ^{say} I deserve
 beauty. What ~~say~~ you? Just in

Jungs to say thank you & love this
 letter seems I can't wait & don't
 one today. Oh yes, if you have a
 nice big nut cake to express of

Tell me to, by it for you see
 You see clearing out things - by Sept
 one is mixed up. I put it to that
 to be given, we charged \$100 but
 it isn't fixed. Thing comes in by
 try help for me. As it happens
 nothing was lost. Love to Dad

Bless you Rob. my C. E. D.
